

Tiki Breeze Energy - Recipes

**Refer to this chart when mixing Tiki Breeze Energy drinks:
(You can modify this based on your menu and preference)**

Drink Size	Energy Concentrate Pumps (0.5 fl oz)	*Fruit Fusion Conc. Pumps (0.5 fl oz)	*Syrup Flavoring Pumps (0.25 fl oz)
16 oz	3 pumps (1.5 fl oz)	3 pumps (1.5 fl oz)	4 pumps (1 fl oz)
20 oz	4 pumps (2 fl oz)	4 pumps (2 fl oz)	5 pumps (1.25 fl oz)
24 oz	5 pumps (2.5 fl oz)	5 pumps (2.5 fl oz)	6 pumps (1.5 fl oz)

*Fruit Fusion Concentrates and *Syrup Flavorings are optional add ons.
You can add either or both options when mixing.

Custom Tiki Breeze Energy Spritzer

A craft energy beverage infusing an energy concentrate base with soda water, and topped / mixed with your favorite syrup flavorings, fruit fusions, juices, teas, dairy and non-dairy alternatives or garnishes. Don't forget to name your creation!

Preparation:

Custom Energy Spritzer Sequence:

1. Add energy concentrate
2. *Add fruit fusion or syrup flavoring (on top or mixed)
3. *Add fruit or garnish (on top or mixed)
4. *Add half & half / breve / milk alternative (on top or mixed)
5. Add Soda Water
6. Add Ice
7. Lid / Serve

*Optional Add ons

You can change the sequence of steps to create a layered effect when adding combinations of different syrups, fruit fusions, cream, or dairy alternatives to enhance the look of the beverages. Garnishes are also encouraged but not required.

For the best taste results, mixing / stirring is recommended before drinking!
